- A number of Beef, Chicken & Veggie options grilled to order
- Offering Gluten-Free, Keto and Vegetarian options
- Fresh-cut fries, Tornado Fries, Poutine, Mac N cheese & Onion Rings
- Funnel Cakes & Hand-spun MilkShakes

The background image shows the interior of a Burger Factory restaurant. On the left, three large, illuminated gear-shaped light fixtures are mounted on a grey wall. The gears are black with yellow and white glowing centers. In the foreground, there are wooden tables and blue metal chairs. In the background, a chalkboard menu displays the 'BURGER Factory' logo and various food items like burgers, fries, and drinks, along with phrases like 'HOT TASTY' and 'HEALTHY DELICIOUS'.

BURGER FACTORY COMPETITIVE EDGE

At Burger Factory we pride our brand with a high quality driven approach offering a complete Burger Experience presenting complete transparency with an open kitchen concept, Proprietary menu offerings and unique desserts & beverages.

We offer affordable and accessible menu offerings inclusive of all dietary restrictions, from vegetarian, gluten free, KETO and Halal.

Our signature Stuffed Burgers & Fresh smash burgers made on a custom Flat grill, grilled to order.

Committed to using only the freshest high quality ingredients paired with great Customer Service and a Small Footprint, Promoting better occupancy, build-out, and Labour costs

Modern, interactive & attractive Restaurant design with flexible prototypes to accommodate all markets.
